

Resource update: April 2017

Unit Standard 24089 – Demonstrate knowledge of fatigue management, worktime and driver logbook requirements

The requirement for the period that a driver is required to keep a log book for has changed as per the details below. This has required a change to the Trainer Guide, Marking Guide and the Study Guide. If you are using resources that do not reflect these changes then please update those resources as per the table below.

Change to Section 30ZH of the Land Transport Act 1998

In December 2016, the 36 month period reverted back to 12 months as follows:

Section 30ZH of the Land Transport Act 1998 Duties regarding logbooks

- 1 A driver must –
 - a. Retain a logbook required to be maintained by that driver under section 30ZF for a **period of 12 months after the date of the last entry in that logbook**; and
 - b. In the case of a driver who is an employee, deliver a copy of each completed logbook record to the driver’s employer within 14 days after completing that record, and the employer must retain the copy of each logbook record **for a period of 12 months from the date of the record**

Changes to unit standard 24089 training and assessment material:

The following changes need to be made to the resources.
